PASTOR'S CORNER

We look to spring and with it comes the joyous time of Easter. But neither spring nor Easter comes of itself. We go through a long, *very long*, winter and finally comes a hint of warmer days. It's a treasure more fully appreciated because of the cold season. Likewise, we must go through the journey of Jesus to the Cross in order for Easter to come. Without Jesus' death there is no resurrection.

The good news is that Jesus did come. God has come among us in flesh and blood and in the power of the Holy Spirit. He walked in our footsteps ever drawing all to Him so that the world would know that God is love and cares for each and every-one. Jesus walked his way to the cross not simply for 40 days as we think of Lent. He walked this road for his lifetime. He was willing to do it to save the world from the grip of evil and death.

As he hung on that cross in terrible pain, he was encumbered with a great weight placed upon him; that weight is our sins. Our sins and our sicknesses, our pain and our sorrow, the injustices done to us and the things we've done to others – these are the sins of the world. All were on him as God in human flesh who could carry them and through this forgive them.

We reflect upon this sacrifice and its consequences. We are no longer at the whim of our sins. They no longer have to hold us down. In Jesus they are forgiven as we believe in Jesus, examine ourselves, repent, and receive forgiveness and new life. This is the miracle of Easter day.

¹There is therefore now no condemnation for those who are in Christ Jesus. ²For the law of the Spirit of life in Christ Jesus has set you free from the law of sin and of death. Romans. 8:1-2.

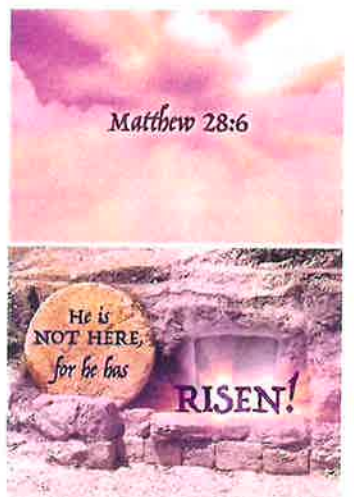

Jesus took our penalty and beat it. He conquered death and the grave. He rose from the dead and lives. Throw off the grave clothes and live in the freedom and love of Jesus who is the Christ. Happy Easter!

Kevin and I are settling into the community and feeling comfortable. We're learning how cross country ski and are enjoying the extremely crisp fresh air. It will be nice for all of us when we can get out and enjoy the warm days that are to come.

Benevolence Ideas

Our church has several special funds to meet needs that can't be met through our General Fund. Currently, these special funds are: Building Maintenance/Improvements, Sunday School Outreach, Vacation Bible School, and Samaritan's Purse Shoeboxes. In addition, our church houses the Grace Community Food Shelf and we ask for donations on their behalf as well as for the After School Backpack Program. Finally, our church is a part of the Grace Cemetery Association and we ask for donations on their behalf for the maintenance of the Synod, Pioneer, and Fairview Cemeteries in rural Erskine. Please contact Jim Ferden if you have any questions.

gible to receive money to help support events you or others are having. Simply gather a team of friends, family or neighbors to put on a fundraiser, educational event or service activity. We'll provide the resources you need to get started – including up to \$250 in seed money. Clients with benefit membership are eligible to lead two Thrivent Action Teams per calendar year, and clients with associate membership are eligible to lead one per calendar year. There are many examples on the Thrivent website @ [Thrivent Action Teams Hub \(cotribute.co\)](http://ThriventActionTeamsHub.cotribute.co). Some ideas: Grandparents Day, Vacation Bible School, Fish Fry, Easter Festival, Food Shelf, Disaster Response Buckets/kits, K9's for Mobility, Quilts for Others, or Yarn for Prayer Shawls.

Let's get together and figure out how we can use these benefits for the work of ministry.

Altar Guild Ministry

We are blessed by many hands who do the work of ministry at Grace. This year we have many who have joined the Altar Guild and are ready to serve in such a humble and wonderful ministry. We have 13 ladies who have come forward. Many thanks to those who have served in the past and continue to give time and effort to our Lord still.

We have moved to serving 2 kinds of communion wafers – the regular in the main dish and gluten-free which is in the gold protected container. Those who would prefer the gluten-free will receive as the wafer is distributed with a tong and placed in the hand of the person receiving.

We have begun to come to the rail to receive the body and blood of Jesus. The ushers will guide everyone as we partake of this Holy Sacrament of the Altar.

Hello Ladies!
 Aren't these longer days of sun nice? I like it when we can get past 6:30 in the

light. We have just about every variety of woodpecker there is visiting our bird feeder. We love watching them and all the others that come.

Thank you to Nancy Tradewell for filling in as secretary in March. You did a great job.

This year for our Mission Fund change collection for WNALC, we decided to do a Gatorade bottle hand out. The bottles will have a label for return to the church with change for that fund.

Everyone will be invited to take a bottle to enjoy and bring back with change in it. We will collect them the first Sunday in June, during the Water Carnival. This fund supports Missions and Disaster Relief of the NALC.

There have been a lot of weather events this year that have used the resources given before. There is always need. We can feel good that this money is put to good use.

Our new books are here now so we will start using them in April. Cost is \$5, the balance paid by our group. The study is on JOY. What a good thing to look into and see what God says.

Our next meeting will be April 13th at 2:00. Hope to see you there! God's Blessings to you!

~Hollie

FROM THE PASTOR, con't.

As for local happenings, I have reinstated a Holy Communion service at Pioneer Nursing Facility. This is the 1st and 3rd Wednesday at 10 AM. I invite any who would come to participate and help along with the Deacons. I do need a pianist. This is a vital ministry to our elders.

Come for Good Friday at noon for a meditation on the cross. 7PM will be a service of darkness with special readings.

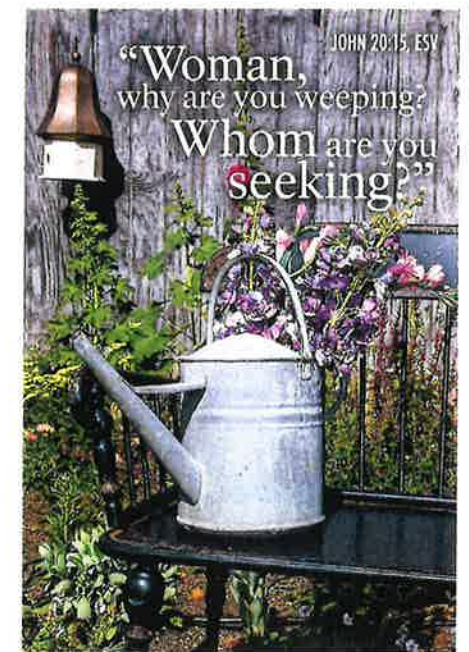

In ministry together,

Pastor Pam

expense of the monthly gift of \$38 to Compassion International and a donation (\$50.00).

Brovold Investment Valuation Report

The balance decreased approximately \$1,000 since last month.

Gunderson Investment Valuation Report

The balance increased approximately \$1,300 from last month. This is the highest balance since May 2022.

Other Information

During February, I continued to work with Hahn Financial Group, Inc. to begin making payments to Pastor Pam's retirement account. Finally at the very end of February, her account was established. So I now can start making retirement contributions to her account. The General Fund CD matured on March 1. I renewed it for one year at 4.25%. **Noted:** Jim reported that we used 200 gallons less gas for heating from January last year, and 300 gallons less than last year for February. This is good news because we are also heating the parsonage this year. CD has been renewed for 4.25 percent with Ultima Bank in Winger. Motion to receive made by John. Seconded by Lori. Motion carried.

Pastor's Report: Pastor Pam reported.

Pastoral Care: Attended to the family of Nordean Salverson

and had the memorial service the week of February 25. Pioneer Memorial Care Center Holy Communion on March 1. The sound system did not work. Found the problem which was a short in the cord. Pioneer will order a new one. John Carlson attended and ministered as a deacon. See Deacons' report. Home visits continue as people are available and willing. NALC Lutheran Week is August 7-11, 2023 in Oklahoma City. Minkota Mission District Convocation – April 14-15, 2023 at Hosanna Lutheran, Wauertown, SD. Paul & Gary plan to attend as delegates along with Pastor Pam.

Worship: New liturgy is going well. We will try to improve the look of the text on the screen to make them easier to read. Altar Guild training will be Saturday, March 11th and 18th. Additional training will be provided as needed later in the year. First Communion will be Sunday, April 23. Baptism – Briar Jo Venem, after worship next Sunday, March 19, following church. There will also be a private baptism in April.

Confirmation is going well.

Deacons: We meet regularly to discuss the role of deacons within the congregation. We will expand the role of deacons, as needed, after laying the organizational groundwork, mission, and vision.

John is creating a system to track visits made to members. This will aid greatly with com-

munication so everyone gets the same info.

Summer camp. Pastor Pam would like to attend camp with students this year.

Holy Week schedule – Palm Sunday April 2. Pastor Pam asked if we wanted a Passion Sunday service on April 2. This service contains more content than the service in addition to the traditional palm branches that we have had the Sunday School open the service with.

After discussion we decided that the Holy Week schedule would be as follows. Good Friday there will be a noon half-hour meditation and then a Tenebrae – Service of Darkness at 7:00 p.m.

Yvonne made a motion that our Palm Sunday service includes the Passion. Also, that we have an Easter Sunday Fellowship Breakfast at 9:00 with an Easter Egg Hunt at 9:30 (There is no SS on Easter Sunday so this would take place during the normal Sunday School time.) Seconded by John. Motion carried. We will look for volunteers for donating egg bakes, muffins, fruit for the breakfast. Volunteers for plastic eggs and goodies for the Easter Egg Hunt. We will have something in the Sunday bulletin and then make plans from there.

Fellowship – we want to have more fellowship events. More discussion will come in planning additional events with our church family.

GRACE COUNCIL, continued**Committee Reports:**

Stewardship: No report.

Education: No report.

Youth Group: Jim reported. We are registered for Feed My Starving Children. 15 spots have been blocked off with 8 students and 3 adults planning to attend. Date Saturday, March 25 in Grand Forks, from 12-2 p.m. There is still room for a few more participants. Traditionally, they will go and eat somewhere following. It is a very rewarding experience.

NALCW: Hollie gave a written report. Meeting March 9 at 2:00. Group 2 will serve. Circles will meet in March.

Trustees: Gene reported. Gene asked about replacing the chandelier that is broken in the Narthex. He would like someone to help pick out a new one then he will install it. Gene will talk to Ryan S about what is involved if we replace the baseboard heaters in the Sunday School rooms. Ryan S. still has some work to complete in the parsonage so Gene will need to contact him again.

Deacons: John reported. John and Pastor Pam were at Pioneer last week for a service. They started making some plans as to how all of this will work. Talked about visitations that have been done. Up to this point visitations have not been officially scheduled. We need to consider some kind of scheduling procedure so that everyone can

get visited and so that the visitation people know where they are at and what has been done. They plan to set up a monthly schedule so that there will be better communication among people doing the visiting and those being visited. This visitation report will provide information about a visit, what type of visit to provide (personal or phone based on the visitee's preference), and what the person's needs are. John has been working on a form in Excel. The goal is that in some form, everyone in the congregation can be contacted or visited. Deacons could have a Visitation Committee of some type to assist. In trying to define the duties of a deacon Pastor Pam gave John some training information. They are using and looking at the Jethro List. It will be a learning process that can evolve as things progress.

Video Tech: Nick reported. Good news is that we got our Monday morning broadcast up again. Saturday morning broadcasts continue, and we now have a live broadcast on Wednesdays.

Food Shelf: Gene reported. (Report submitted by Mavis H) We have reached our spending goal with the ARPA grant of \$12,111.47. After the statement from the North Country Food arrives we will then be able to finalize our report. February food from North Country Food Bank equaled 249.5 pounds for \$274.61.

Our truck day food order equaled 2521.5# for \$2091.53. Our cost was now 85 cents per pound. This is an increase from our prior cost of 50 cents per pound. There is a possibility of the state legislature allocating some extra funding to food banks and/or food shelves. This remains to be seen. We had to move our food shelf day from the 16th to the 23rd due to the weather. Total number of families served was 29, number of people served was 56, number of new families served was 6. Average poundage per family was 59.2#, with total pounds distributed equaling 1717.8#. We are starting to see more families with three or more in their household. Annual Meeting for the Food Shelf is tentatively scheduled for April 12th at 7 p.m. We will be voting for Coordinator, President, Treasurer and Secretary. Everyone invited to attend.

Welcome Committee: No report

Old Business:

Roofing Project—update from Jason was that he contacted Mike Burns and Mike said that he is ready whenever we are to proceed with formal plans. We will be discussing the project at length at the Council Retreat. Council Retreat: April 22nd at 8:30 coffee and 9:00 a.m. start of meeting at Grace.

New Business:
